#niedchat Hello there - don't want to leave you talking to yourself :-)

08-Feb-12 20:31 | medv2

Lets get going. Is 'teacher workload' excessive or are some teachers just too conscientious? #Niedchat

08-Feb-12 20:34 | dmchugh675

@not_out_97 tut tut...balance! #Niedchat

08-Feb-12 20:34 | dmchugh675

Public perception is that teachers work a 6 hour day. How many hours would you say you work each week? #niedchat

08-Feb-12 20:36 | dmchugh675

@dmchugh675 definitely think it's a mixture of both! NQT's particularly conscientious? #Niedchat

08-Feb-12 20:36 | LauraTopley

Think part of the problem is work is never all 'done', always more you could be doing! #niedchat

08-Feb-12 20:36 | hezmar

"@dmchugh675: @hezmar we were hoping you had all the answers! #niedchat" < If only!!!

08-Feb-12 20:37 | hezmar

#niedchat perhaps its a case of meeting needs and managing expectations, along with work/life balance? (who am I kidding?)

08-Feb-12 20:37 | medv2

@LauraTopley I definitely remember it being harder to keep on top of it as a younger teacher. You'll learn! #Niedchat

08-Feb-12 20:38 | dmchugh675

@hezmar ...like digging in dry sand. The trick is knowing when to stop digging! #niedchat

08-Feb-12 20:38 | dmchugh675

@hezmar definitely agree with this, the to-do list is never-ending! #Niedchat

08-Feb-12 20:38 | LauraTopley

#niedchat I work about 6 hours a week tbf

08-Feb-12 20:39 | Conneist

@medv2 Balance is easy to aspire to but hard to achieve! #niedchat

08-Feb-12 20:39 | dmchugh675

#niedchat I was once told to divide tasks into 'must, should, could' and to do all must and bin the coulds to help with work/life balance

08-Feb-12 20:39 | MsRGraham

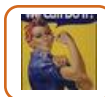

@dmchugh675 @lauratopley Though longer you're in one place the more additional responsibilities you get! Don't seem to lose any. #niedchat

08-Feb-12 20:39 | hezmar

@Conneist but they are 6 quality hours lol #niedchat

08-Feb-12 20:40 | dmchugh675

@dmchugh675 #niedchat it is a bit but helps put things into perspective of what actually needs to be done!

08-Feb-12 20:42 | MsRGraham

some folk work long hours but dont always work smart, do we need to review how we do things instead of doing it always same way? #niedchat

08-Feb-12 20:43 | medv2

Well, been in school for 30+ hrs this week & it's only Wed. (Not counting hours at home!) Hoping for less next week:-) #niedchat

08-Feb-12 20:43 | hezmar

#Niedchat in all honesty we do the hours already.

08-Feb-12 20:43 | macfeilimi

08-Feb-12 20:45 | Conneist

@hezmar it's our half term next week abs finish tomorrow, really need a holiday #Niedchat

08-Feb-12 20:46 | misscedge

@hezmar Individual teachers have to learn to say no...no one else will protect them from getting snowed under. #niedchat

08-Feb-12 20:46 | dmchugh675

@medv2 I've had three after school meetings this week = 4 hours total (don't tell my union) #Niedchat

08-Feb-12 20:47 | dmchugh675

@Conneist definitely. Struggling to find the time to be creative - feel I have to use my time on the holidays to do so! #Niedchat

08-Feb-12 20:47 | LauraTopley

@dmchugh675 #niedchat true that although some senior management are masters at implying work has to be done..

08-Feb-12 20:47 | Conneist

#Niedchat I am very lucky, I have 2 days a week management time.

08-Feb-12 20:47 | misscedge

@medv2 @dmchugh675 #niedchat does this count as a meeting? :-)

08-Feb-12 20:50 | Conneist

@macfeilimi but are meetings the problem? Most of my time is taken up marking and preparing resources. #Niedchat

08-Feb-12 20:51 | dmchugh675

@Conneist @medv2 @dmchugh675 much more pleasurable than a meeting. #Niedchat

08-Feb-12 20:51 | macfeilimi

Thankfully we don't have many meetings - just about an hour this week. #niedchat

Has the new NI curriculum created more work for teachers? #niedchat

08-Feb-12 20:52 | dmchugh675

@misscedge You are very welcome! #niedchat

08-Feb-12 20:52 | dmchugh675

Hi all sorry I'm late, bedtime for boys #niedchat

08-Feb-12 20:52 | amandasalt

#niedchat biggest time suck is dealing with discipline for me.

08-Feb-12 20:53 | Conneist

@dmchugh675 #Niedchat no but add them to yard duty, endless admin, money collecting, trip organising & it starts 2 account for a lot of time

08-Feb-12 20:53 | macfeilimi

@amandasalt Hi there. Has the NI curriculum increased our workload? #niedchat

08-Feb-12 20:53 | dmchugh675

Being a primary ICT co-ord takes up a large chunk of my time - few technical probs recently! Hoping all sorted now. #niedchat

08-Feb-12 20:53 | heymar

@dmchugh675 hmm, to a certain extent the new curriculum has created more work although I love active and independent learning #niedchat

08-Feb-12 20:53 | amandasalt

@misscedge Sorry - 1 more week of school & then 3 days off. Would love a week though! #niedchat

08-Feb-12 20:54 | heymar

I don't mind the workload when it is creating resources #niedchat

08-Feb-12 20:54 | amandasalt

To be fair, massive part of workload self-inflicted through talks for PGCE, #ilic2, staff training days, as well as teacher tutor #niedchat

08-Feb-12 20:58 | amandasalt

@macfeilimi I'm the opposite..I like CA...much handier in MVRUS and History. #niedchat

08-Feb-12 20:58 | dmchugh675

@amandasalt Learning to say no is a strategy then? #niedchat

08-Feb-12 20:58 | dmchugh675

ahm and stage manager /costumes and props for plays. #niedchat

08-Feb-12 20:59 | amandasalt

learning to type LOL #niedchat

08-Feb-12 20:59 | dmchugh675

Key is to not do it all yourself, am realising, and realising that makes me better leader not worse #niedchat

We're at the halfway mark of tonight's #Nledchat. Topic: "Strategies to cope with heavy workloads?"

08-Feb-12 21:00 | Nledchat

Anyone thought of getting students to produce resources as part of their learning? #niedchat

08-Feb-12 21:00 | dmchugh675

#niedchat I go to the gym to try and make sure I have something non work related for an hour, couple of evenings a week

08-Feb-12 21:00 | MsRGraham

The new SES is much less time consuming than the SEF #Nledchat

08-Feb-12 21:00 | misscedge

@dmchugh675 hmm, no, cos I want to do all those things. it is admin stuff I dislike like report proofreading #niedchat

08-Feb-12 21:00 | amandasalt

@medv2 v hard to peer assess languages accurately in terms of grammatical mistakes #niedchat

08-Feb-12 21:01 | amandasalt

RT @medv2: #niedchat speaking of marking, do n e of U make use of peer assessment or online test? wrk intensive 2 begin with but pays off

08-Feb-12 21:01 | dmchugh675

@dmchugh675 @amandasalt How do you say no when redundancy looms and it is a faceless point scoring process? #Nledchat

08-Feb-12 21:01 | macfeilimi

@amandasalt Ditto! #niedchat

08-Feb-12 21:02 | dmchugh675

@dmchugh675 yes re student resources, 6th years make stuff in Voluntary Service, pupils create worksheets to go with own podcasts #niedchat

08-Feb-12 21:03 | amandasalt

@dmchugh675 #niedchat how do you get pupils to prepare resources?

08-Feb-12 21:03 | MsRGraham

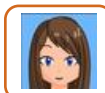

@not_out_97 Definitely...though this is not in the culture of many teachers. ...yet. #niedchat

08-Feb-12 21:03 | dmchugh675

@not_out_97 see my tweet to @medv2 re Dropbox and #mfltwitterati are outstanding at sharing, as well as MFL Resources #niedchat

08-Feb-12 21:04 | amandasalt

@not_out_97@dmchugh675 I use loads of 'shared' resources but adapting takes time + range of abilities to cater for often varies. #niedchat

08-Feb-12 21:04 | hezmar

@MsRGraham Y9 created a wiki on Kenya last week.I'll have a quick check and use it again for a research task in another class. #niedchat

08-Feb-12 21:05 | dmchugh675

@MsRGraham @medv2 tendency to get conscious that some pupils have assessed ineffectively, and then mark myself anyway! #Niedchat

08-Feb-12 21:05 | LauraTopley

@amandasalt tell me more about Dropbox. I'm interested.. #niedchat

08-Feb-12 21:05 | Conneist

RT @misscedge: @dmchugh675 yes we've started to do that and introduce peer assessment. #niedchat

08-Feb-12 21:06 | dmchugh675

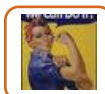

Surprisingly 'on-line' colleagues often more willing to share than those within school. #niedchat

08-Feb-12 21:06 | hezmar

@hezmar there is not a culture of sharing in Northern Ireland as a general rule, would you not say? #niedchat

08-Feb-12 21:07 | amandasalt

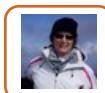

@LauraTopley #niedchat if pupils are regularly self and peer assessing they can become very effective at it. Pupils used to www/ebi

08-Feb-12 21:07 | MsRGraham

@Conneist it is amaaaazing, you download it and then it automatically syncs anytime anyone else adds stg to a shared folder #niedchat

08-Feb-12 21:08 | amandasalt

@hezmar Similar in many schools, strategy for changing this? #niedchat

08-Feb-12 21:08 | medv2

Delegation is the key #Niedchat

08-Feb-12 21:09 | misscedge

The new concept of self-evaluation (enc by DENI) which is being promoted in schools massively affects workload #niedchat

08-Feb-12 21:10 | amandasalt

#niedchat should there be a facility to share resources across NI? #niedchat

08-Feb-12 21:10 | medv2

@dmchugh675 I got my AS to assess essays and most of them were pretty close, not confident enough to do it without checking yet #niedchat

08-Feb-12 21:10 | MsRGraham

@medv2 I'm trying to lead by example! Share everything with colleagues - hoping they'll return the favour. #niedchat

08-Feb-12 21:10 | hezmar

@medv2 There is already but few use it! #niedchat

08-Feb-12 21:10 | dmchugh675

@Conmeist c2k will block it within school (bandwidth issue I think) but will let you do it in house #niedchat #dropbox

08-Feb-12 21:10 | amandasalt

#niedchat we need to have regular teachmeets specifically for subjects. With budgets tightening we need to help each other.

08-Feb-12 21:11 | dwatson802

#niedchat do other subjects have websites such as <http://t.co/VCGne6U6> where they can share resources?

08-Feb-12 21:11 | MsRGraham

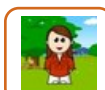

@not_out_97 Twitter, think you are right. Also this #niedchat is a big step in the right direction #niedchat

08-Feb-12 21:11 | amandasalt

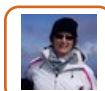

Anyone read this? Lots of great labour saving ideas. <http://t.co/dD0VsnzY> #niedchat

08-Feb-12 21:11 | dmchugh675

@medv2 Our #mfltwitterati Dropbox shares resources across the world, not just Northern Ireland #niedchat

08-Feb-12 21:12 | amandasalt

@dmchugh675 when a forum is 2 large, particip R reluctant 2 post. need 2 start small & build, we do have the facilities 2 do ths #niedchat

08-Feb-12 21:13 | medv2

@amandasalt @Conmeist #Niedchat gonna give dropbox a go. Is there a data limit?

08-Feb-12 21:13 | macfeilimi

@dwatson802 Flew over to Show and Tell earlier this year for Mod Langs, amazing and well worth my money :-) #niedchat

08-Feb-12 21:13 | amandasalt

@amandasalt it's getting the time to search through it! #Niedchat

08-Feb-12 21:14 | dmchugh675

RT @dmchugh675: read this? Lots of great labour saving ideas. <http://t.co/q1T40cHu> #niedchat > yep, think it is really interesting reading

08-Feb-12 21:14 | amandasalt

@macfeilimi @amandasalt #niedchat think it's 2 gb but then you can upgrade your account presumably..

08-Feb-12 21:15 | Conneist

@medv2 A sharing facility? Are you thinking c2k or outwith? #niedchat

08-Feb-12 21:15 | amandasalt

@amandasalt I am so jealous of US and England for constant conferences or Teachmeets #niedchat

08-Feb-12 21:15 | dwatson802

@hezmar "they learn more when you teach less" is all you need to know ;) #Niedchat

08-Feb-12 21:16 | dmchugh675

@dwatson802 yes, def way forward, need to build on #tmbelfast and do subject specific SATs as well as generic teachmeets #niedchat

08-Feb-12 21:16 | amandasalt

I think teachers need to know that children only remember 10% of what they are told. Get them to create things and back off! #niedchat

08-Feb-12 21:17 | dmchugh675

@Conneist @macfeilimi when you get people to join and download DB then you get more space for free :-)
#niedchat

08-Feb-12 21:17 | amandasalt

"@dmchugh675: @hezmar "they learn more when you teach less" is all you need to know ;) #Niedchat" < Yes - read that bit:-)

08-Feb-12 21:17 | hezmar

@hezmar I try to keep it in mind when I find myself drowning in paper. #Niedchat

08-Feb-12 21:18 | dmchugh675

@dmchugh675 #niedchat do the project first!

08-Feb-12 21:18 | MsRGraham

@amandasalt I like the idea of dropbox for departments but what about getting a few say Language depts using the same dropbox #niedchat

08-Feb-12 21:19 | dwatson802

Another strategy...3 quick questions on the board at the beginning of a lesson. Gets them engaged...gives you time to get sorted. #Niedchat

08-Feb-12 21:19 | dmchugh675

"@dmchugh675: @hezmar I try to keep it in mind when I find myself drowning in paper. #Niedchat" < Good advice.

08-Feb-12 21:19 | hezmar

@dwatson802 @amandasalt #Niedchat sounds like that's what's happening with #mfltwitterati

08-Feb-12 21:20 | Conmeist

@Conmeist @dwatson802 yea, language teachers have it pretty good between Twitter, MFL Resources, TES and Dropbox #niedchat

08-Feb-12 21:21 | amandasalt

@medv2 So true...the problem is when CCEA asks to see the plan and the levels and the assessment criteria and the evidence. #niedchat

08-Feb-12 21:22 | dmchugh675

@dmchugh675 Follow up book coming in Sept - think it's 'Lazy Progress' Will have finished first one by then! #niedchat

08-Feb-12 21:22 | hezmar

Does anyone else have a lot of paperwork for selfevaluation of department and subject? #niedchat

08-Feb-12 21:22 | amandasalt

@amandasalt @dwatson802 must try and get one going for Irish teachers! #Niedchat

08-Feb-12 21:22 | Conmeist

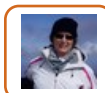

@Conmeist definitely! Ok to set it up? then just invite and see who joins. Key is that they can't delete or they delete for e'one! #niedchat

08-Feb-12 21:23 | amandasalt

@amandasalt we have all sorts of self assessments going on. The need for a 'paper trail' to inspect is suffocating. #niedchat

08-Feb-12 21:23 | dmchugh675

@dmchugh675 - is this what needs to be fine-tuned CCEA levels/plans etc #niedchat

08-Feb-12 21:24 | medv2

@dmchugh675 bleuk, definitely that and policies will be the death of me! #niedchat

08-Feb-12 21:24 | amandasalt

@amandasalt @conmeist #niedchat pity I am a maths teacher :(very jealous you guys are on the right path.

08-Feb-12 21:24 | dwatson802

Have appointed 'digital leaders' recently. P7 pupils who are going to reduce my ICT co- ord workload - watch this space! #niedchat

08-Feb-12 21:24 | hezmar

Re marking, I do a lot in class, as pupils focus much more on what they did wrong than if they get marked piece back. Not essays #niedchat

08-Feb-12 21:24 | amandasalt

@medv2 @dmchugh675 #Niedchat I'm definately taking a few mantras tonight that if employed will change my classroom, i mean OUR classroom...

08-Feb-12 21:25 | macfeilimi

@hezmar great idea. Why should the teacher be the busiest person in the room! #Niedchat

08-Feb-12 21:25 | dmchugh675

@amandasalt That was scary! I've been using it a lot. It has really started to catch on! #Niedchat

08-Feb-12 21:27 | dmchugh675

@amandasalt Your maths teachers even collaborated with feeder schools re maths schemes - was impressed by that! #niedchat

08-Feb-12 21:27 | hezmar

@amandasalt @dmchugh675 #niedchat I'll be using that c3po or whatever it's called at teach meet.

08-Feb-12 21:28 | Conmeist

@Conmeist excellent :-) #niedchat

08-Feb-12 21:29 | amandasalt

Lazy Teacher Handbook recommends setting yourself a 100 word limit at the beginning of a class...anyone willing to try? #niedchat

08-Feb-12 21:29 | dmchugh675

@Conmeist @amandasalt @dwatson802 #Niedchat I'm up for that. Anything I can contribute. Just have to figure it out first.

08-Feb-12 21:29 | macfeilimi

@dmchugh675 prob is that explaining in the target language (as sought by inspectors) takes so much longer #niedchat

08-Feb-12 21:30 | amandasalt

RT @misscedge: Delegation is the key #Niedchat

08-Feb-12 21:30 | GoughyR

@dmchugh675 #niedchat don't think we have many silent types on here!

08-Feb-12 21:30 | Conmeist

@misscedge wow, brilliant, that is age to catch them! My P2 child talked to me about Talking and Listening slot in class today! #niedchat

08-Feb-12 21:30 | amandasalt

Thanks for taking part. You are all wonderful !!! A summary will appear here later - <http://t.co/JInfrzEK> #niedchat

08-Feb-12 21:31 | dmchugh675

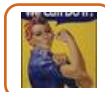

Looks like MFL are blazing a trail here tonight! Go lingo geeks! #Niedchat

08-Feb-12 21:31 | dmchugh675

@medv2 Have high hopes re my dig leaders - they're very enthusiastic & are going to run after school club for P4. #niedchat

08-Feb-12 21:31 | hezmar

@dmchugh675 #niedchat how on earth could you put that into practice?

08-Feb-12 21:31 | MsRGraham

@MsRGraham give the students a tally counter! #niedchat
